The main content area includes a breadcrumb trail: 'Have your say > Published initiatives > Revision of the EU general pharmaceuticals legislation > Give your feedback on:'. DGN/BDN/EANM recommends you attach the following items

- 2) the “technical amendments by EANM” and
- (3) [the EJNMMI Editorial](#).

We have merged these three documents (1-3) into **one** since you can upload only one document(!).

The merged document is named “**DGN BDN EANM joint feedback to EC**”.

The screenshot shows the 'Attach a file' section of the feedback form. It features a blue button labeled 'Choose file'. Below the button, there is explanatory text: 'If you have research or findings that support your ideas, you can add them as an attachment. Files must be less than 5 MB.
